Overhanging Arm Smashed  
Top of Car on Jamaica Ave-  
nue Line in Queens.

Four persons were seriously injured and more than a score narrowly escaped in an unusual accident on the Jamaica Avenue trolley line in Queens County at 8:30 o'clock this morning.

## SAGE TEA PUTS LIFE AND COLOR IN HAIR

Don't Stay Gray! It Darkens  
So Naturally that No-  
body Can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old, famous Sage Tea Recipe are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

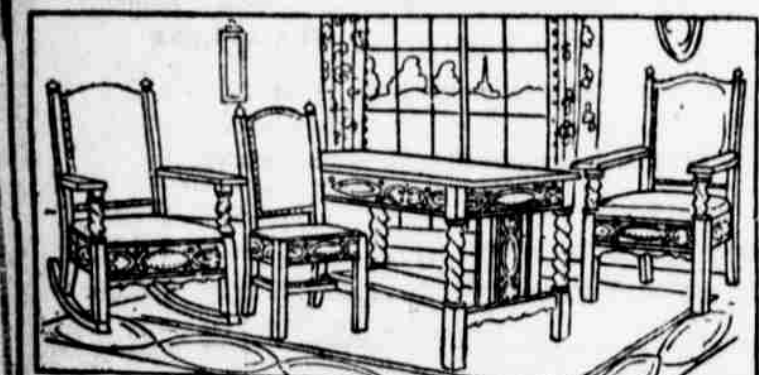

Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications of the hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stop.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

## Diet and Exercise Course For Women to Reduce In Weight and Figure

In Twenty-Four Daily Lessons Miss Furlong Presents  
to Her Readers the System of Diet and Exercise  
by Which She Recently Reduced the Weight of  
a 110-lb. Woman 23 lbs. in Four Weeks.

THE ROLLING EXERCISES, ILLUSTRATED.

LESSON NO. 11—Rolling Exercise, for Reducing Hips. Back numbers of these lessons may be obtained by sending a 2-cent stamp to Miss Furlong for each lesson desired. Readers are invited to correspond with Miss Furlong, who will reply through the columns of The Evening World. She does not print correspondents' full names.

By Pauline Furlong.

The rolling exercise, for the reduction of the hips, will be illustrated to-day, as I consider all of my pupils who have followed this course from the beginning are now strong enough to master it. Rolling sometimes causes dizziness, and this is because you are not practiced enough or because the exercise is taken too soon after eating a meal. Indigestion often causes this same condition.

TO-DAY'S EXERCISE.

Lie flat on the floor, place the closed fists on the chest at the armpits, keep the knees and heels together and the legs rigid. Start to roll either to the right or left and roll in each direction about ten times. This exercise gives to the hips a powerful massage such as can be had through no other method, as the entire weight of the body is thrown on each hip as you roll. Do not be too strenuous with the rolling at the beginning, but later on you may roll twenty-five times with ease.

TO-DAY'S MENU:

LUNCHEON—Stewed peaches, sweetened with sweetener, soft boiled eggs and toast.

DINNER—Broiled or baked fish, Brussels sprouts, canned string beans, gelatine with fruit.

HEALTH AND REDUCTION AIDS.

Many readers write and tell me that they think the exercises when taken at night cause insomnia. I have always advised those who are following the course to practice the exercises in the afternoon, if possible, because the extra physical exertion, especially if you are not accustomed to it, stimulates the circulation and often produces sleeplessness.

If possible cultivate a regular hour for retiring and rising. Sleep not more than seven hours, if you are trying to reduce, and take no afternoon naps.

Do not eat late at night, neither should you retire hungry, and an apple taken a half hour before retiring will satisfy the hunger, stimulate the action of the liver and be of benefit generally. Keeping the arms stretched above the head often causes restlessness and disturbs the slumber.

Lie on the right side with the legs outstretched, as this aids digestion because this position permits the food to pass from the stomach into the intestines.

A brisk walk in the cold fresh air before retiring is very conducive to sleep, and many persons find that a few of the milder exercises taken at night are also. Make yourself slightly tired, at least, as a condition of weariness is the most favorable one to restful sleep. Those who are engaged in constant mental work during the day should take five minutes' mild exercises for the legs and lower part of the body before retiring to bed.

## THIS FRENCH SALT WILL REDUCE WEIGHT

In reducing flesh and weight, women must be extremely careful. Fat should only be taken off those parts where it is unnecessary. Drugs taken internally are useless and dangerous. Violent exercise and forced dieting are unnecessary.

To reduce hips, thighs, abdomen and other parts where fat accumulates, the only satisfactory and positive treatment is to take fifteen or more baths with the French Thinning Salts. These famous French salts have a peculiar dissolving effect upon fatty or adipose tissue just where you want to reduce flesh. Sold by Riker-Hegeman, Macy's, Altman's, Gimbel's, Stern's and all leading druggists. Send for Booklet, Orient Co., 45 W. 34th St., New York.—Adv.

## Quick, Painless Way to Remove Hairy Growth

(Helps to Beauty)

Here is a simple, unfailing way to rid the skin of objectionable hairs: With some powdered delatone and water make enough paste to cover the hairy surface, apply and in about 4 minutes rub off, wash the skin and every trace of hair has vanished. This is quite harmless, but to avoid disappointment be sure to get the delatone in an original package.—Adv.

## WHITE ELECTED HEAD OF FIGHTING MAYORS

Fort Lee Executive Makes an At-  
tack on Water Company, Illus-  
trated by Moving Picture.

Mayor Edward A. White of Fort Lee was elected President of the Eastern Bergen County Improvement Association—known as the organization of fighting Mayors—at the annual meeting held last night in the Fort Lee Athletic Club House. He succeeds former Mayor Hyron M. Huyler of Tenafly, who served as President last year.

The meeting was one of the largest in the history of the organization. After a long discussion of the methods of borough financing and accounting, Mayor White took up the fight of the Eastern Bergen Association against the service and rates of the Hackensack Water Company. A short time ago Supt. French of that company said the hose had burnt during a fire in the Belair Plant in Fort Lee, and he intimated that this was the cause of the destruction of the plant instead of lack of water pressure. Mayor White caused a moving picture of

the fire to be thrown on a screen. The picture not only demonstrated a lack of pressure, but showed the hose had not burst. A dozen or more firemen were called and they declared the hose had not burst. Supt. French was invited to attend the meeting but wrote a letter saying another engagement prevented.

In addition to electing Mayor White as President the association elected Councilman F. R. Humphreys of Harrington Park and Mayor E. W. Webber of Ridgefield Park as Vice-Presidents. Vincent B. Kelly of Palisade was re-elected as Secretary-Treasurer.

D. I. KELLY MADE DEPUTY.

Correction Commissioner Lewis Chooses Him for His Law Training. Commissioner of Correction Burdette G. Lewis to-day announced the appointment of David I. Kelly of No. 71 Ninety-second Street, as Deputy Correction Commissioner, at \$2,000 a year. This is the position Mr. Lewis held under Commissioner Katharine B. Davis.

Mr. Kelly has been active in social service work. He was Assistant Fire Marshal, 1901-1902, and Acting Fire Marshal, 1902-1903. During the following year he was Chief Inspector of the Bureau of Combustibles. He was graduated from Morris High School, 1901; Cooper Day School of Engineering, 1905; and New York University Law School, 1907. He decided to secure some one who has had legal training," said Commissioner Lewis.
